M, below is a draft of my "generic" letter I was going to send to Andy Raines at SouthTrust Bank prior to your recommendation to hold off on sending it. I still believe we need to communicate to the bank... we can put our heads together tomorrow to figure out our approach. Also, feel free to modify the letter as you see fit.

As a follow up to our conversation this morning, I am writing you this memo to re-iterate Delphi's focus to maintain and grow Lextron Corporation as a valued supplier. Resources are being committed by Delphi to assist Lextron (including a reduction in our payment terms to Net 15) during its cashflow shortfall. In turn, Delphi has no intentions of exiting Lextron.

Additionally, because of Delphi's support and interest in Lextron, Delphi is requesting SouthTrust Bank to continue its support of Lextron. If you have any questions please contact me.
